jbcmmts 22215 sediment modeling report predraft.pdf  
ELIS - Chap 7 (Public Involv - IN PREP for input from USEPA) jbcomments2).docx

Hi Everyone,

Jim, you may want to look these over and discuss further.

Here is where we are with the comments and information due by EPA to the contractors.

I have met all of the obligations on my end with the exception of 1 item (Chapters 1 and 2).  
Status listed below:

Bernward, please send your comments on the sediment QAPP so that I can put it into a format for submittal to my QA folks. Thanks!

C1&2 comments on draft chapters – due next week but I will have them to you tomorrow.

C6 tomorrow

C7 attached

C9

CSediment – predraft modeling report – ALL of my comments are attached, significant.
